SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In connection with the above-entitled matter, Applicants hereby attach U.S. Patent Office Form PTO-1449, including copies of the references not already of record in this matter. Where available, English language abstracts also are provided for Examiner's convenience. Applicants are not submitting copies of the U.S. Patent reference(s)/U.S. Patent Publication as the Office waived the requirement on July 11, 2003.

These references have become known to the Applicants through prosecution of a related U.S. Patent Application, Serial No. 10/391,862, filed March 19, 2003 and a related U.S. Patent No. 6,561,001, issued May 13, 2003. Since the references were cited in the related US application/patent, additional copies are not believed necessary. The claims in the present application are believed to be patentably distinguished over these references.
